CHAPTER ONE: ((Preliminaries))	
1.1. What Is Test?	1
1.2. What Is Measurement?	1
1.3. What Is Evaluation?	2
1.4. Relationship among test, measurement, and evaluation	2
1.5. What Is Assessment?	4
1.6. Benefits of Testing	6
CHAPTER TWO: ((Functions of Language Tests))	
2.1. Prognostic tests	7
2.2. Evaluation of Attainment Tests	11
CHAPTER THREE: ((Contrasting Categories of Language Tests))	
3.1. Knowledge vs. Performance Tests	19
3.2. Language Sub-Skills vs. Communication Skills Tests	20
3.3. Speed vs. Power Tests	20
3.4. Usage vs. Use Tests	20
3.5. Direct vs. Indirect Tests	20
3.6. Teacher-Made vs. Standardized Tests	21
3.7. Norm-Referenced vs. Criterion-Referenced Testing	22
3.8. Self-assessment vs. Peer Assessment	29
3.9. Traditional vs. Alternative Assessment	29
CHAPTER FOUR: ((Forms of Language Tests))	
4.1. Introduction	31
4.2. The Structure of an Item	31
4.3. The Form of an Item	31
4.4. Receptive (or selected) Response Items	32
4.5. Productive (or constructed) Response Items	34
4.6. Personal Response Items	35
4.7. Subjective vs. Objective Items	37
4.8. Recognition vs. Suppletion Items	38
4.9. Psycholinguistic Classification	38
4.10. Channel and Mode of Communication	40

CHAPTER FIVE: ((Statistics in Testing))	
5.1. Introduction	41
5.2. Ranking.....	42
5.3. Measures of Frequency.....	42
5.4. Graphic Display of Frequencies	46
5.5. Measures of Central Tendency	47
5.6. Measures of Variability (also measures of spread/dispersion)	51
5.7. Scales of Measurement.....	54
5.8. Correlation.....	57
5.9. Normal Distribution	64
5.10. Skewed Distribution	68
5.11. Standardized Scores.....	70
5.12. Probability	73
CHAPTER SIX: ((Test Construction))	
6.1. Steps in Constructing a Test	74
6.2. Determining the Function and the Form of the Test.....	74
6.3. Planning (Specifying the Content of the Test)	75
6.4. Preparing (or Writing) Items	76
6.5. Reviewing Test Items	83
6.6. Pre-testing.....	83
6.6.1. Norm-Referenced Item Analysis	84
6.6.2. Criterion-Referenced Item Analysis	96
CHAPTER SEVEN: ((Principles of Language Testing))	
7.1. Practicality (also called usability)	102
7.2. Authenticity	103
7.3. Fairness	104
7.4. Washback	104
7.5. Impact	106
CHAPTER EIGHT: ((Reliability))	
8.1. A General Definition	107
8.2. Classical Test Theory (CTT)	107
8.3. Standard Error of Measurement (SEM).....	111

8.5. Reliability of Rater Judgments	123
8.6. How to Make Tests More Reliable?	125
8.7. Approaches to Estimating Consistency of CRTs.....	132
CHAPTER NINE: ((Validity))	
9.1. Introduction	137
9.2. Strategies for Investigating the Validity of a Test	139
9.3. Factors Influencing Validity	148
9.4. Standards Setting Methods	150
CHAPTER TEN: ((Theories of Language Testing))	
10.1. Introduction	152
10.2. Grammar Translation Approach	152
10.3. Discrete-Point Approach	152
10.4. Integrative Approach	154
10.5. Functional– Communicative Approach	156
10.6. Task-Based Assessment	158
10.7. Some More Issues in Language Testing	164
CHAPTER ELEVEN: ((Functional Testing))	
11.1. Introduction	167
11.2. Selection of the Functions	167
11.3. Specifying the Social Factors	167
11.4. Determining the Performance Criteria.....	167
11.5. Developing Test Items	167
11.6. Pretesting	168
11.7. Scoring System	168
CHAPTER TWELVE: ((Cloze & Dictation))	
12.1. Cloze Procedure	170
12.2. Varieties of Cloze Procedure	171
12.3. Scoring a Cloze Test.....	174
12.4. Advantages and Disadvantages of Cloze Procedure	175
12.5. Dictation	177
